This product contains ingredients originating from foreign and domestic sources

Branched Chain Amino Acids (BCAAs) refer to the highly recognized trio of L-Leucine, L-Isoleucine and L-Valine.* BCAAs should be consumed on a daily basis to help prevent a decline in BCAA serum levels during training.* Also, BCAAs have been clinically shown to help promote muscle protein synthesis.*1

SUGGESTED USE:

MUSCLE*

ENDURANCE*

PERFORMANCE*

Consume 2 capsules in between meals and / or 15 to 30 minutes prior to training and / or immediately after training
